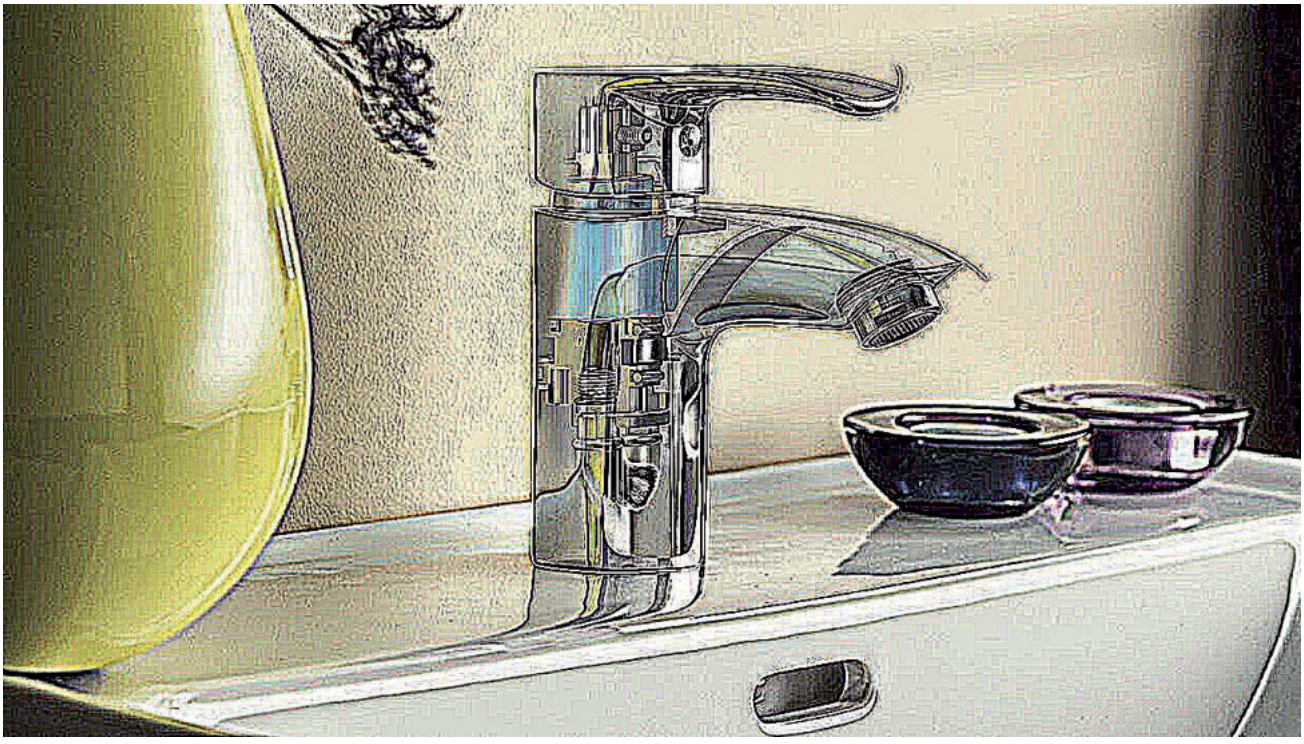
Sanitary Fittings 2023 - 2024



Our Company ...
is one of the leading German suppliers for Sanitary fittings and related plumbing products. Since about 40 years, we have been supplying our markets with a wide range of faucets, fittings and valves for bathroom, kitchen and other sanitary installations. Our products are mainly supplied under our ALMANIT, ALMATHERM, ALMAPLAST and GERMANIT brand names.
Bathroom fittings are made for daily use. They are designed to be functional and aesthetic as well. We supply fittings for both bathrooms and kitchens. Our products are mainly produced in "series" to secure having a continues design touch through the facility.

Our Programme ...
Includes a broad range of models covering most market segments from basic to luxury, and from classical to modern design. Private, commercial, or institutional customers will find the products they need in our programe. The most popular product groups in our extensive range cover:
+ Faucets and Fittings: we supply a wide range of water mixers for bathroom and kitchen in different finishes and designs, with compression or ceramic valving (example: one hole lavatory and bidet mixers, one lever mixers, concealed 3-hole mixers, ...etc.). We have different mixer models for both wall and concealed installations. Most of our faucets/mixers can be supplied with different models of handles which are fitted according to customers demands. Also to secure our customers an extended product range from a single source, we supply Shower Fittings including hand shower sets, adjustable shower heads, shower arms, ...etc.
+ Water Taps and Valves: we supply a variety of bib cocks in different finishes and designs (example: taps with and without hose-union, taps with T-handle, taps with upper part for key, ...etc.). We supply also a wide range of Stopcocks, Ball valves, Gate valves, and Angle valves in different models and designs.
+ Hoses and Pipes: we supply a wide range of flexible hoses and tubes with different ends to adapt to any type of standard valves and fittings (example: brass-strips hoses, PVC hoses, copper tubes, st. Steel-wire screened hoses, aluminium-wire screened hoses, ...etc.).
+ Other Product Lines: Sanitary fittings are the core of our business. We supply more than 5.000 products in numerous models, options and sizes. Products shown in our homepage represents only our fast moving items. For additional information about other products, please send us your detailed inquiry so that we can offer accordingly.

Our Markets ...
We can supply our products world wide. Our main markets are in parts of Europe, in the Far- and Middle East area and in some parts of Africa.

Our Service ...
More than 40 years of experience provided our management with thorough knowledge of products and markets at manufacturers as well as end-users side, enabling us to satisfy our customers requirements with ultimate precision and assisting the manufacturers to do the same. Also as a family run company, we attach great importance to personal relationships to our customers. This helps us to meet individual customer wishes quickly and unbureaucratically.

WHEN OUR CUSTOMERS TOUCH AN ALMANIT PRODUCT, WE WANT THEM TO SENSE ITS PREMIUM QUALITY.

SAPHIR

SAPHIR

Design

New definition for the basin mixer. Integration of Pull out, up and down, rotation, multi functional water flow. Perfect appearance, Rich feature. Subversion traditional Combination of function and art. Praise for you!

Rotation

360 Degree and left and right removing and give it brighter.

Up and down

Fix the height as you want.

Low lead

Low lead material to create comfortable and healthy water life.

Pull out

1.5m shower hose can automatic return. Built –in silent set design. Pulling out will be more smooth.

Changing

Water flow between aerator and showerhead can meet your different demand. "Key press" changing will be more convenient.

Temperature fixation

Spray head can control on- off the water. Avoid duplication of regulation so that the use of more simple.

Shower Hoses

Art.8138Cxxx
Standard Shower Hose, chrome plated metal, one end fitted with a conical nut, other end with a hexagonal nut, 1/2"x1/2", available in the lengths: 120, 150, 175, 200cm

Art.8138EXxxx
Extendable Shower Hose, chrome plated metal, one end fitted with a conical nut, other end with a hexagonal nut, 1/2"x1/2", available in the lengths: 120, 150, 175, 200cm

Art.8140PCxxx
Inforced Shower Hose, plastic reinforced type, one end fitted with a conical nut, other end with a hexagonal nut, 1/2"x1/2", available in the lengths: 150, 175, 200cm

Art.8141PCxxx
Lux Shower Hose, plastic type, transparent with metal strip, one end fitted with a conical nut, other end with a hexagonal nut, 1/2"x1/2", available in the lengths: 150, 175, 200cm

Art.8142PCxxx
Silver Shower Hose, plastic type, one end fitted with a conical nut, other end with a hexagonal nut, 1/2"x1/2" available in the lengths: 150, 175, 200cm

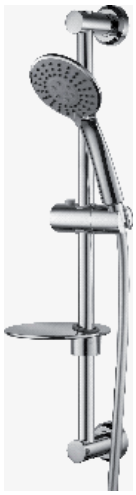
Shower Sets

Art.807400

chrome plated PRIME Hand Shower Set consisting of:
+ Hand shower in Luxury-look, 3-functions, with anti-lime scale function.
+ Sliding bar in chrome plated brass, of 22mm diam., 60 cm long, with conical slide, with st. steel screw set with plugs, with soap dish.
+ chrome plated EXTENDABLE shower hose with one end fitted with a conical nut, other end fitted with a hexagonal nut, 1/2"x1/2", 150cm long, with washers

Art.807405

chrome plated BRAVO Hand Shower Set consisting of:
+ Hand shower in Luxury-look, 3-functions, with anti-lime scale function.
+ Sliding bar in chrome plated brass, of 22mm diam., 60 cm long, with conical slide, with st. steel screw set with plugs, with soap dish.
+ SILVER shower hose with one end fitted with a conical nut, other end fitted with a hexagonal nut, 1/2"x1/2", 150cm long, with washers



Art.807402

chrome plated BERGMOHN Hand Shower Set consisting of:
+ Hand shower in Luxury-look, 3-functions, with anti-lime scale function.
+ Sliding bar in chrome plated brass, of 22mm diam., 60 cm long, with conical slide, with st. steel screw set with plugs, with soap dish.
+ chrome plated metal shower hose with one end fitted with a conical nut, other end fitted with a hexagonal nut, 1/2"x1/2", 150cm long, with washers

Shower Column

Art.806319

chrome plated shower column with round SS 304 shower head (200mm ø / 300mm ø), with conical slide, with a shower set including a hand shower (3-function) and a shower hose 150cm long, with a 2-way diverter valve, size: abt. 38cm shower arm projection, 129cm height.

Art.806320

chrome plated shower column with square SS 304 shower head (200mm ø / 300mm ø), with conical slide, with a shower set including a hand shower (3-function) and a shower hose 150cm long, with a 2-way diverter valve, size: abt. 38cm shower arm projection, 129cm height.

Art.6655

chrome plated DELUX shower set consisting of:
+ Hand shower in Luxury-look, adjustable 3-Spray, with anti-lime scale function.
+ Flexible Hose of 14mm diam., with one end fitted with a conical nut (graved model), other end fitted with a hexagonal nut, 1/2"x1/2", 150cm long, with washers.
+ chrome plated wall bracket (2-way), with screw set.

Sensor washbsin mixer, under basin mixing valve, battery or electrical operation, chrome finish.

Concealed Cisterns

INNOVATION IN ATTACHMENT OF AN ANGLE VALVE TO THE CISTERN

Easier and faster installation to the water supply

Innovated cistern with a new all-in-one angle valve Shell.

EASY LOCK – A SET FOR WALL MOUNTING

Faster and easier installation

New construction solution allows an easy mount of the frame to a wall in half the time.

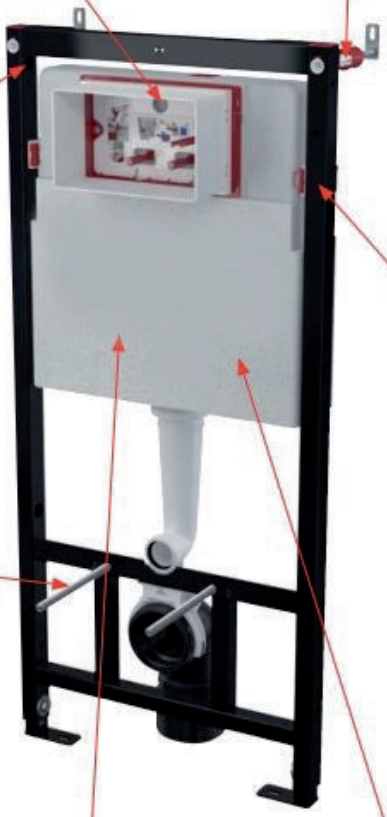
Exact setting

Optional additional adjustment to an optimal position using an allen key accessed via the front of the frame.

INSTALLATION HOLES

Universal installation options

Thanks to the holes in the mounting frames, the installation system can be easily mounted in to plasterboard constructions, portable cabins or wooden constructions.



NEW CISTERN HANGING CLIPS WITH TWO-COMPONENT INSULATION

Anti-noise solution/insulation

Thanks to the two-component material, the transmission of vibrations from the attachment between the cistern and the frame is isolated.

Convenient installation

The tilting of the cistern forward allows the installation in to a plasterboard construction, portable cabins and wooden constructions.

THREADED ROD WITH GROOVES

More convenient installation of WC bowl

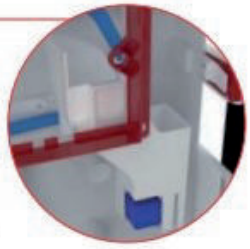
The threaded rods newly include a groove for a speedier installation.

NEW RELIABLE FILL VALVE

Silent, fast, exceptionally durable

Specially developed for the pressure range of 0.05–1.6 MPa (0.5–16 bar).Exceptionally resistant to impurities in water.

WC TABLETS DISPENSER



Perfect hygiene of the WC bowl

Discreet hygienic solution for all types of ceramic WC bowls. Also ideal for rimless WC bowls.
